*In re: Elysium Health-ChromaDex Litigation*

: **ELYSIUM HEALTH, INC.'S NOTICE  
: OF NO OPPOSITION TO  
: CHROMADEx, INC.'S MOTION TO  
: AMEND ITS COMPLAINT**

-----x

PLEASE TAKE NOTICE that Defendant and Counter-Plaintiff Elysium Health, Inc. ("Elysium") submits this Notice of No Opposition to Plaintiff and Counter-Defendant ChromaDex, Inc.'s ("ChromaDex") Motion for Leave to File First Amended Complaint. ECF No. 73. Although Elysium believes the proposed amendment states no actionable claim, and although the proposed amendment contains allegations describing an unrelated litigation in California that have no relevance to the claims ChromaDex purports to assert in this case, Elysium does not oppose the motion and will instead respond through discovery and dispositive motion practice.
